

SHANDONG UNIVERSITY

EXCHANGE PROGRAM INFORMATION SHEET

(2021-2022 Academic Year)

University Introduction

Shandong University, under the direct jurisdiction of the Ministry of Education, is a key comprehensive university with a long history, a variety of disciplines, strong academic strength, and distinctive characteristics, which has great influence both at home and abroad. Shandong University is a member university of Project 211 and Project 985, two national key construction projects to support the development of high-quality universities.

Shandong University is one of the first universities of modern Chinese higher education. Its medical school, established in 1864, signified the beginning of modern Chinese higher education. Its main body, Shandong Imperial College (Shandong Da Xue Tang) established in 1901, was the second national university in China, only after the Imperial University of Peking. Moreover, it was the first university to be established and run in accordance with a chartered constitution.

Shandong University now comprises 8 campuses (Central Campus, Hongjialou Campus, Baotuquan Campus, Qianfoshan Campus, Software Park Campus, Xinglongshan Campus, Qingdao Campus and Weihai Campus) in three different cities (Jinan, Qingdao and Weihai), covering an area of over 533 hectares (including 200 hectares of the Qingdao campus).

There are teaching and administrative staff of 7,493 people (not including affiliated hospitals). Its full-time student population totals up to 60,000, of which 40,789 are undergraduates, 18,816 are postgraduates and 3,791 are international students. It also has an excellent faculty team of 1,246 professors, including 897 doctoral supervisors.

The financial mathematics, crystal materials, condensed matter physics, colloid and surface chemistry, micro-biology, machinery, material science, cardiovascular functional recovery, new drug manufacturing, and classical Chinese philosophy have all listed in the first-class level within the country, and some are even known abroad.
